

# TT

Audi TT Coupé Australian Specifications

Vorsprung durch Technik **Audi** 

# Technical Data

## Engine Type – Cylinders / Valves

Capacity (cc)
Power (kW/rpm)
Torque (Nm/rpm)
Transmission
Acceleration (seconds) 0-100km/h
Top speed (km/h)

## Driveline

Front wheel drive
quattro®
Start-stop system

## Fuel Consumption (combined)<sup>(1)</sup>

Litres per 100km
CO <sub>2</sub> emissions grams per km

## Weight

Unladen weight in kg <sup>(4)</sup>
Gross vehicle weight in kg

## Safety

Airbags – front airbags for driver and passenger, side airbags for driver and front passenger, head level curtain airbags
Attention assist - provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist
Electro-mechanical parking brake
Hold assist - holds the vehicle on gradients as long as necessary to enable smooth driving in traffic
Tyre pressure loss indicator
Progressive steering - electromechanical with variable ratio based on steering angle for enhanced driving dynamics and reduced steering effort when manoeuvring

• = Standard | \* = Optional equipment, Manufacturers List Price shown excluding LCT. | \* = Optional equipment, Manufacturers List Price shown, inclusive of LCT. | NCO = No cost option. | – = Not available.

\* \* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet are displayed separately excluding Luxury Car Tax (LCT)\* and including Luxury Car Tax (LCT)\*. If the total price of the vehicle (excluding statutory charges) is below the Luxury Car Tax (LCT) threshold, that option price excludes LCT. If the total price of the vehicle (excluding statutory charges) exceeds the Luxury Car Tax (LCT) threshold, that option price includes LCT at the rate of 33%. The LCT threshold for the 2014/2015 financial year is \$61,884 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km or less which have an LCT threshold of \$75,375. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

1 Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2 Figures calculated on the basis of 18 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

3 Figures calculated on the basis of 19 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).

4 Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

5 Please check with your Audi dealer or visit [www.audi.com/mp3](http://www.audi.com/mp3) for information on compatible media players

6 Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

7 Digital radio and TV reception coverage dependent on vehicle location.

8 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

9 SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to [www.sunatraffic.com.au](http://www.sunatraffic.com.au) for details.

This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from February 2015, model year 2015 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer. Please refer to the corresponding TT brochure for further specification details. Options described in the brochure may differ or may not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.Vehicle pictured is an overseas TT 2.0 TFSI quattro S tronic S line with the additional options of metallic paint and Audi Matrix LED headlights including LED daytime driving lights, dynamic front and rear indicators, all-weather lights, motorway light function and LED rear lights.
