Safety				
Active roll-over protection	●	●	●	●
Airbags for driver and front passenger, inflates in two stages depending on seriousness of collision. Side airbag, seat-mounted and SIDEGUARD head level curtain airbag (Coupé only)	●	●	●	●
Electronic Stabilisation Control (ESC) with Sport mode, Antilock Braking System (ABS), Electronic Brake Force Distribution (EBD), Anti-Slip Regulation (ASR), Electronic Differential Lock (EDL) and hydraulic brake assist	●	●	●	●
Electromechanical parking brake	●	●	●	●
Electromechanical power-steering with collapsible steering column	●	●	●	●
Tyre pressure monitoring system with individual tyre pressure and temperature display	●	●	●	●

● = Standard | * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | -- = Not available | NCO = No cost option

#A Figures are calculated on the basis of 20 inch wheels. Fuel consumption, CO₂ emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR 81/02. Factors including but not limited to driving style, road and track conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. If the total price of the vehicle (excluding statutory charges) is above the applicable LCT threshold then LCT is applicable. Please enquire at your authorised Audi dealer for further details. **MRLPs set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

† Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

3 Digital radio reception coverage dependent on vehicle location.

4 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information

Vehicle pictured are overseas R8 Coupé V10 RWD with optional equipment and R8 Spyder V10 RWD with optional equipment.
