

# S7 Sportback

Audi S7 Sportback Australian Specifications

## S7 Sportback

Technical data	
Engine type	6-cylinder petrol with direct fuel injection, turbo-charging and 48V Mild Hybrid Electric Vehicle technology (MHEV)
Capacity (cc)	2,894
Power (kW/rpm)	331 / 5,700 – 6,700
Torque (Nm/rpm)	600 / 1,900 – 5,000
Driveline	quattro
Transmission	8-speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100km/h	4.6
Unladen weight in kg <sup>1</sup>	2,040
Fuel consumption (combined)*	
▶ Litres per 100km	8.5
▶ CO <sub>2</sub> emissions grams per km	199
Safety	
Active bonnet	●
Anti-theft alarm system – monitors doors, bonnet and luggage compartment	●
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●
Electromechanical parking brake	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●
First aid kit, warning triangle and high visibility vests	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●
Seatbelt reminders for all 5 seats including illuminated seat belt buckles	●
Tyre pressure monitoring system	●

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

\* Figure are calculated on the basis of 21 inch wheels. Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

\* Manufacturer's Recommended List Price (MRLP) of the factory fitted options. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. If the total price of the vehicle (excluding statutory charges) is above the applicable LCT threshold then LCT is applicable. Please enquire at your authorised Audi dealer for further details. **MRLPs set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

## Packages

Option Code

S7 Sportback

### Dynamic package

- ▶ quattro with sport differential – actively distributes variable amounts of drive torque to each rear wheel
- ▶ Dynamic steering – variable ratio steering depending on the driving situation and driver preference. Customisable via Audi drive select
- ▶ All-wheel steering – at low speeds, the steering effort reduces for the driver and the turning circle of the vehicle is reduced by approximately 1m. At higher speeds, the response behaviour and the driving stability are improved by a targeted adjustment of the rear wheels

DP1

\$7,700\*

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

\* Manufacturer's Recommended List Price (MRLP) of the factory fitted options. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. If the total price of the vehicle (excluding statutory charges) is above the applicable LCT threshold then LCT is applicable. ## S7 Sportback

Assistance systems		
Adaptive cruise assist with Stop&Go including traffic jam assist and distance indicator <sup>2</sup>		●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration <sup>2</sup>		●
Audi side assist – blind spot warning system <sup>2</sup>		●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring <sup>2</sup>		●
Audi parking system plus front and rear with visual display <sup>2</sup>		●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing <sup>2</sup>		●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear		●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action <sup>2</sup>		●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents <sup>2</sup>		●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h <sup>2</sup>		●
Exit warning system – detects cars and cyclists when opening doors <sup>2</sup>		●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●
Predictive efficiency assistant <sup>2</sup>		●
Turn assist – monitors oncoming traffic when turning right at low speeds <sup>2</sup>		●
Exterior features		
Privacy glass – dark tinted rear and rear side windows, and acoustic glazing for front windows		●
Black exterior styling package – adds black highlights around the Audi Singleframe, the trim strips on the side windows, the front and rear bumpers and exterior mirrors in black		●
Aluminium exterior styling with aluminium look mirror caps	4ZB	NCO
Body coloured exterior mirrors	6FA	NCO
Convenience key, full keyless entry and start		●
Electric rear tailgate with gesture control and programmable opening height		●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side; includes heated washer jets		●
Power assisted door closure – automatically pulls doors that are not completely engaged into the locks		●
Sunroof, panoramic, tinted glass, electrically tilting and opening with electric sun shade		●
Audi HD Matrix LED headlights – combines LED light sources with high definition precision optics for higher resolution adaptive light distribution. If other vehicles are detected, the system precisely masks just the area of the detected vehicle. Other functions include position light, turning light, all-weather light, junction light, motorway light and dynamic indicators at front and rear. Also includes Coming home and Leaving home animation for front and rear lights		●
Audi HD Matrix LED headlights including Audi laser light – combines LED light sources with high definition precision optics for higher resolution adaptive light distribution. If other vehicles are detected, the system precisely masks just the area of the detected vehicle. Other functions include position light, turning light, all-weather light, junction light, motorway light and dynamic indicators at front and rear. Also includes Coming home and Leaving home animation for front and rear lights. The Audi laser light supplements the LED high beam from speeds of 70 km/h and provides the driver with noticeably more safety and convenience by almost doubling the visual range	PXC	\$2,500

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

\* Manufacturer's Recommended List Price (MRLP) of the factory fitted options. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. If the total price of the vehicle (excluding statutory charges) is above the applicable LCT threshold then LCT is applicable. Please enquire at your authorised Audi dealer for further details. **MRLP's set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

## Standard Equipment and Options

	Option Code	S7 Sportback
<b>Seating and upholstery</b>		
Electric seats for driver and front passenger including adjustment of seat height, fore/aft position, seat angle and backrest angle; electric lumbar support and memory function for drivers seat		●
S sport front and rear seats with integrated head restraints		●

Infotainment		
<b>Audi connect <i>plus</i> Navigation &amp; Infotainment services<sup>3</sup> including:</b>		
▶ Online traffic information with hazard alert		
▶ Destination entry via myAudi or Google Maps		
▶ Parking information		
▶ Weather		
▶ Fuel prices		
▶ Wi-Fi hotspot		●
▶ Google services		
<b>Audi connect <i>plus</i> Security &amp; Assistance services<sup>4</sup> including:</b>		
▶ Car finder with remote signal		
▶ Remote lock & unlock		
▶ Emergency call		
▶ Online roadside assistance		
Audi virtual cockpit – fully digital configurable instrument cluster with 12.3 inch high resolution colour display		●
Audi smartphone interface – connects to Apply CarPlay and Anrroid Auto via USB to access approved apps via the MMI interface <sup>5</sup> ; includes wireless Apple CarPlay		●
Audi music interface – 2 USB interfaces (1 USB type A and 1 USB type C interface) in front with charging and data transfer functionality. Also includes 2 USB interfaces (type C) in the rear with charging function <sup>5</sup>		●
Audi phone box light – supports wireless charging via the “Qi” standard for compatible smartphones and smartphone covers, and up to 2 Bluetooth connections <sup>5</sup>		●
Bang & Olufsen 3D Sound System – sound reproduction through 16 loudspeakers, including 3D sound loudspeakers, centre speaker and subwoofer, 15-channel amplifier with a total output of 705 watts		●
Bang & Olufsen Advanced 3D Sound System – sound reproduction through 19 loudspeakers featuring high-quality neodymium magnets, including 3D sound front and rear, 19-channel BeoCore amplifier and a total output of 1,820 Watts (includes loudspeaker illumination in the front and rear doors) – the space saver spare wheel is replaced with a tyre inflation kit	8RF	\$11,700*
DAB+ Digital radio <sup>6</sup>		●
DVD player	7D5	\$350*
Head up display – in colour with speed, navigation and assistance information		●
<b>MMI navigation plus<sup>7</sup> with MMI touch, acoustic and haptic feedback including:</b>		
▶ High-resolution 10.1 inch colour display for navigation system		
▶ High-resolution 8.6 inch colour display for climate control functions and with handwriting recognition and favourites list		
▶ Voice control with natural speech recognition		●
▶ 3D map display including places of interest and city models		
▶ MMI search: free-text search with intelligent destination suggestions		

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

Please note that this is a preliminary specification sheet and the information contained within it can change without notice prior to launch of the vehicle. This should only be used as an ordering guide only.

\* Manufacturer's Recommended List Price (MRLP) of the factory fitted options. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. If the total price of the vehicle (excluding statutory charges) is above the applicable LCT threshold then LCT is applicable. Please enquire at your authorised Audi dealer for further details. **MRLPs set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

# Figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

‡ The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit [www.audi.com.au/audiconnectplus-terms-of-service](http://www.audi.com.au/audiconnectplus-terms-of-service) for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: [www.audi.com.au/audiconnectplus-privacypolicy](http://www.audi.com.au/audiconnectplus-privacypolicy)

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The data connection for the Wi-Fi hotspot, use of the online radio and hybrid radio services as well as online media streaming and other services offered via an Audi smartphone app are not included. For these services, an external customer SIM card can be inserted into the external SIM card slot to establish a data connection. If an external SIM card is inserted into the card slot or connected via Remote SIM Access Profile (rSAP), all data connections, for both the Audi connect services as well as for the Wi-Fi hotspot, will be established via this external SIM card. In such cases, the costs incurred are attached to those accrued via the external SIM card. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi Service Request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is a S7 Sportback overseas model with optional equipment.
