	Monsoon grey, metallic	NCO		Seville Red, metallic	NCO			

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 19 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

[^] Actual colour may vary from sample due to printing process, paint finish prices are not dependent on the model.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options, including LCT. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. **MRLP's set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

() Figures in brackets refer to long-wheel base variants

Standard equipment

	A8 50 TDI quattro tiptronic	A8 55 TFSI quattro tiptronic
Safety		
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●	●
Safety package inclusive of front centre airbag and crash response front head restraints	●	●
Attention assist - provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing	●	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●	●
Hold assist - holds the vehicle on gradients indefinitely to enable smooth driving	●	●
Tyre pressure monitoring system	●	●
Anti-theft alarm system with selectable interior monitoring, tow-away protection and tilt alarm sensor	●	●
Seatbelt reminders for all passengers	●	●
Assistance systems		
Adaptive drive assist including adaptive cruise control with Stop & Go, distance indicator and lane guidance assist	●	●
Lane departure warning - when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration	●	●
Audi pre-sense front - provides collision mitigation up to 85 km/h (pedestrians) and up to 250 km/h (vehicles)	●	●
Audi pre-sense rear - preventative protection measures including tensioning of front seat belts and closing of windows and sunroof (if equipped) where the risk of a collision is detected	●	●
Lane change warning - blind spot warning system	●	●
Emergency assist - within system limits, detects when the driver fails to respond. In such instance, the system provides the driver with a visual, acoustic and haptic warning	●	●
360 degree cameras - 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring	●	●
Audi parking system plus front and rear with visual display	●	●
Intersection crossing assist - monitors the area in front of and at the side of the vehicle on junctions and exit roads; operates at up to 30 km/h	●	●
Collision avoidance assist - provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action	●	●
Cross traffic assist rear - supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents	●	●
Progressive steering - enhances the driving dynamics and driving comfort thanks to more direct steering characteristics	●	●
Exit warning system - detects cars and cyclists when opening doors; initiating a slight delay in door opening and warning light	●	●
High beam assist - switches automatically between low and high beam	●	●
Predictive efficiency assist	●	●
Turn assist - monitors oncoming traffic when turning right at low speeds	●	●

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options, including LCT. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. MRLP's set out in this document are recommended prices only and there is no obligation to comply with the recommendation.

● = Standard | * = Optional equipment, Manufacturers List Price shown | — = Not available | NCO = No cost option

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options, including LCT. If the total price for the vehicle (excluding statutory charges) is below the applicable LCT threshold then LCT is not applicable. **MRLP's set out in this document are recommended prices only and there is no obligation to comply with the recommendation.**

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly

2 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party

3 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility

4 Digital radio reception coverage dependent on vehicle location

5 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information

6 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details

Vehicle pictured is a A8 L 50 TDI quattro tiptronic overseas model with optional equipment.
