Crafter Kampervan

Australia | April, 2022

The desire to **travel** and the **popularity of Vanlife** is more prominent than ever before

Introducing The Crafter

KAMPERVAN
by Jayco

Crafter Kampervan

Volkswagen Australia has worked with Jayco Australia to locally design and develop range of Crafter based campervans that will exclusively be sold through the Volkswagen dealer network – backed by a five-year, unlimited kilometre warranty.

Crafter Kampervan

Jayco has worked with Volkswagen Australia to develop our LWB 4Motion Crafter platform into a unique offering exclusive to Volkswagen.

Why Jayco?

Jayco has the expertise, resource and production capability to support Volkswagen's ambition, and have been Australia's most popular brand of RV's for over 45 years.

Australia's most popular RVs

- Over 45 years in market
- 150 dealers and service agents
- More than 1200 employees
- Built and sold more than 225,000 RVs

Australian Owned & Manufactured

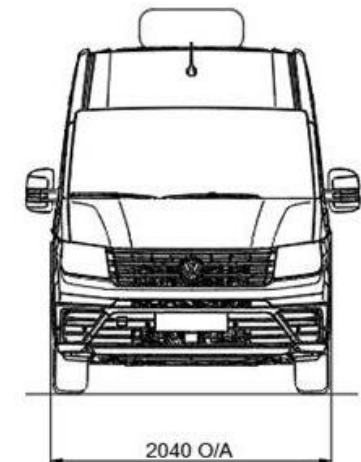

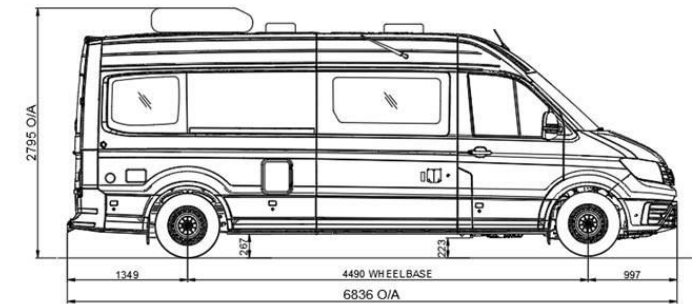

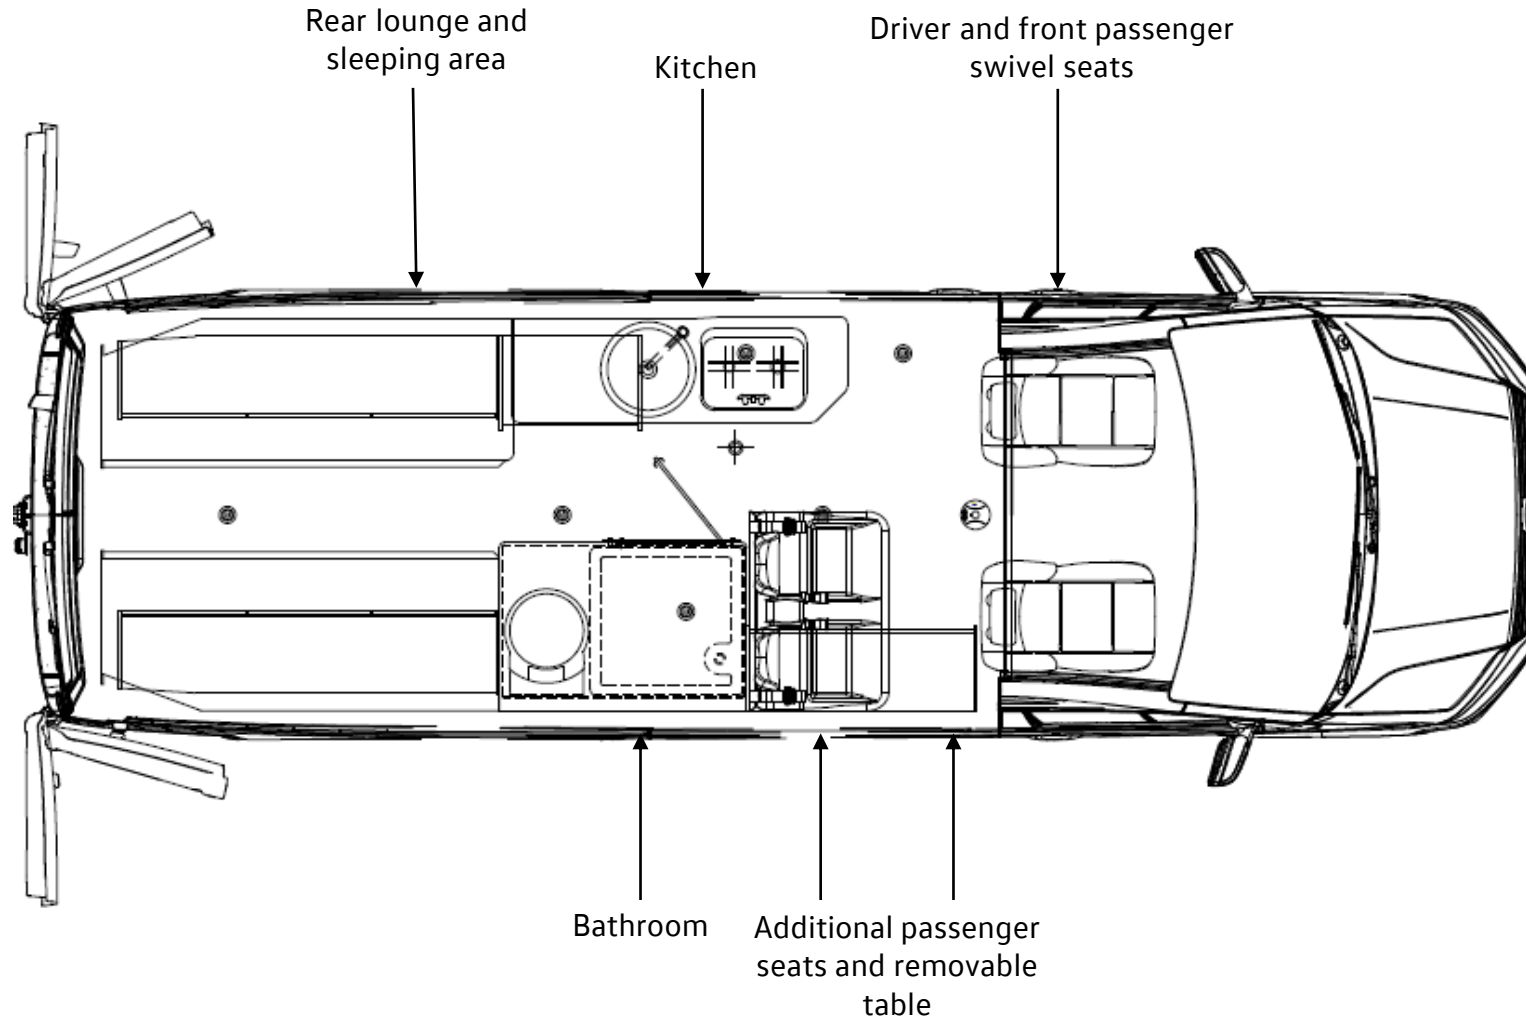

- Purpose built 50-acre state of the art production facilities located in Victoria
- Best in class engineering, safety and construction specialists

Experience & Know-how

- Established motorised division
- Years of research, design and development experience
- Dedicated motorised production facility

Crafter Kampervan

A 4 seater, 3 sleeper campervan, which will include all the amenities, creature comforts expected in a high end campervan solution.

Commercial
Vehicles

Crafter Kampervan

Volkswagen Australia will offer three trim levels, with the Jayco additions remaining constant across all variants. Crafter inclusions vary across the range.
