

Features and Specifications		
Safety and Security		118TSI
Airbags	Driver and front passenger airbags	S
	Driver's knee airbag	S
	Driver and front passenger side/head airbags	S
Anti-theft	Electronic engine immobiliser	S
Body	Fully galvanised with 12 year anti-corrosion perforation warranty	S
	Door side impact protection	S
	Rigid safety cell with front and rear crumple zones	S
	Active roll over protection system	S
Brakes	Automatic flashing brake lights activated in emergency braking situation	S
	Anti-lock Braking System (ABS)	S
	Electronic Brake-pressure Distribution (EBD)	S
	Brake Assist	S
	Hill Start Assist (HSA)	S
Child restraints	Child seat top tether anchorage points, mounted on rear seat back (2)	S
	ISOFIX child seat anchorage points, outer rear seats	S
First aid kit		A
Head restraints	Front safety optimised head restraints, height adjustable	S
	Rear head restraints, height adjustable (2)	S
Lighting	Daytime driving lights	S
	Front fog lights with static cornering lights, mounted in lower bumper	S
	Indicators integrated in exterior mirrors with LED technology	S
	Rear fog lamp	S
	Tail lights with LED technology	S
Locking	Remote central locking	S
	2 stage unlocking (programmable)	S
	Automatic locking after takeoff (programmable)	S
	One touch lock / unlock for driver	S
	Fuel filler flap lock/unlock by central locking, push to open	S
Seat belts	Front seat belts with pre-tensioners and belt force limiters	S
	Visual and acoustic warning for driver and front seat passenger seat belts not fastened	S
	3 point seat belts for all passengers (4)	S
Traction control	Anti-Slip Regulation (ASR)	S
	Electronic Differential Lock (EDL)	S
	Electronic Stabilisation Program (ESP)	S
Exterior Equipment / Styling		
Body enhancements	Body coloured bumper bars, door handles and exterior mirrors	S
	Chrome radiator grille and front fog light highlights	S
	Chrome strip around body waistline	S
	Exposed dual exhaust tail pipes	S
	Rear bumper with black diffuser	S
Paint	Metallic or Pearl Effect paint finish	O
Protection	Mudflaps, front	A
Roof	Fully automatic electro-hydraulic, 3 layer fabric	S
Suspension	Lowered sports suspension	S
Tinted glass	Heat insulating tinted glass	S
Tow bar	Tow bar with 7-pin flat trailer connector and removable tongue	A

Exterior Equipment / Styling (cont'd)		118TSI
Wheels	Alloy wheels (Salamanca) 17 x 7½" with 225/45 R17 tyres	S
	Alloy wheels (various designs) 17" and 18"	A
	Please consult your Volkswagen Dealer for correct wheel and tyre fitment by model	
	Anti-theft wheel bolts	S
	Valve caps with Volkswagen emblem	A
	Weight and space saving spare wheel	S
Comfort and Convenience		
Armrest	Front centre armrest with storage compartment, rear storage pocket and 12 volt sockets (2)	S
Air conditioning	Dual zone automatic (2 modes) climate control with indirect ventilation mode	S
	Air quality sensor with automatic air recirculation	S
	Dust and pollen filter	S
Cruise control		S
Cup holders	Front (2), with bottle opener	S
	One litre bottle holders in front door pockets	S
Driver Assistance Systems	Parking distance sensors, front and rear with acoustic warning and audio volume level reduction when sensor warning is activated	S
	Optical Parking System (OPS) in radio/navigation display	S
	Automatic kerb function when reversing, passenger's side exterior mirror	S
	Rear View Camera (RVC) with static guidance lines	S
Entry/warning reflectors in front doors		S
Floor mats	Carpet, front and rear	A
	Rubber, front	A
Headlights	Halogen headlights with clear polycarbonate lens	S
	Bi-xenon headlights for high and low beam with dynamic cornering lights, LED daytime driving lights integrated in headlight housing, LED rear registration plate light, automatic self-levelling, headlight cleaning system and low washer fluid warning light	O
	Internal headlight range adjustment	S
	Low light sensor with automatic headlight function	S
	Coming / leaving home function	S
	Combined headlight and fog light switch	S
In car entertainment and technology	AM/FM security coded radio (RCD510) with 6½" touch screen display, MP3 compatible SD card slot and 6 disc CD changer, in dash	S
	Audio controls mounted on steering wheel	S
	Auxiliary input socket for external audio source in front centre console	S
	Speakers, front and rear (6)	S
	Bluetooth® phone connectivity with phonebook display, operation via touch screen audio unit or MFD Plus and Bluetooth® audio streaming	S
	Media Device Interface (MDI), fitted in the centre console and supplied with USB connection cable	S
	Media Device Interface (MDI) connection cables for iPod®, mini USB and auxiliary input	A
	Satellite navigation system (RNS510)	O
	High-resolution 6½" touch screen display in 16:9 format, 2D, topographical and 3D (bird's eye) map views, voice control for navigation, telephone and radio functions, integrated 30 GB hard drive for storing music and navigation data, SD card slot and single DVD drive for the playback of audio CD/MP3	

Comfort and Convenience (cont'd)		118TSI
Instrumentation	Speedometer & tachometer, electronic odometer and tripmeter, service interval display, digital clock, fuel & coolant gauges, low fuel warning light, brake pad wear indicator, roof status indicator and white adjustable illumination	S
Interior highlights	'Black stripe' decorative inserts in dashboard and doors	S
	Aluminium finish accelerator and brake pedals	S
	Aluminium finish air vent surrounds	S
	Chrome trim on instrument cluster and gearshift lever surround	S
	Chrome highlight trim on headlight switch, exterior mirror switch and power window switches	S
	Leather covered steering wheel and gearshift knob	S
Interior lighting	With time delay	S
	Foot well illumination, front	S
	Front reading lights	S
Luggage compartment	Load restraining hooks	S
	Luggage compartment light	S
	Luggage compartment sill protector	S
	Rear seat remote release	S
	Shopping bag hooks	S
Mirrors	Automatic dimming interior rear-view mirror	S
	Electrically adjustable and heated exterior mirrors	S
	LED turn indicator lights integrated in exterior mirrors	S
Power steering	Electro-mechanical, vehicle speed and steering input sensitive	S
Seating	Comfort sports front seats	S
	Front seats with rear seat easy entry function	S
	Height adjustment for front seats	S
	Lumbar adjustment for front seats	S
	Split folding rear seat backrest (50/50) with remote release from luggage compartment	S
Steering wheel	3 spoke cool leather rimmed steering wheel	S
	Audio, telephone and multi-function display controls	S
	Height and reach adjustable steering wheel	S
Storage	Chillable glove box with illumination, lockable	S
	Coin tray and 12 volt socket in console	S
	Compartment with lid in dashboard, drivers side	S
	Front door pockets with one litre bottle recesses	S
	Front seat backrest storage pockets	S
Transmission	Gearshift recommendation indicator	S
	7 speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function	S
Trip computer	Multi-Function Display (MFD Plus) – driving time, trip length, average and current speed, average and current fuel consumption, distance till empty, speed warning function, vehicle status, audio, telephone and convenience displays	S
Upholstery	Comfort sports alcantara/cloth seats	S
	Vienna Cool leather appointed seat upholstery	O
	Individually heated front comfort sports seats with lumbar adjustment and backrest storage pockets Some parts of the leather appointed seat upholstery will contain man made material.	
Vanity mirrors	Driver's and passenger's side vanity mirrors with illumination	S
Wind deflector	Foldable windbreak	A
Wipers	2 speed wash/wipe windscreen wipers	S
	Rain sensor	S
Windows	Power front/rear, with roll-back function and one-touch up-down	S
	Button for simultaneous lowering and closing of all four windows	S
	Heated glass rear window	S
	Remote operated convenience close and open feature	S
12V socket	Centre console, front and rear (2)	S

Optional Packages

118TSI

Park Assist 2 + Anti-theft alarm	Alarm system with central locking SAFELOCK deadlock mechanism, interior monitoring and tilt sensor Park Assist 2, parking bay and parallel parking assistance	O
-------------------------------------	--	---

Technical Specifications

118TSI	
Engine	1.4 TSI 118kW
Type	4 cylinder inline Twincharger petrol
Installation	Front transverse
Cubic capacity, litres/cc	1.4 / 1390
Bore/stroke, mm	76.5 / 75.6
Max power, kW @ rpm	118 @ 5800
Max torque, Nm @ rpm	240 @ 1500–4000
Compression ratio	10.0:1
Fuel system	Bosch Motronic
Ignition system	Electronic
Exhaust emission control	Exhaust gas recirculation, catalytic converter and lambda probes
Emission level	EU 5 [^]
Fuel type (Recommended)	Premium unleaded 95 RON minimum
Transmission	7 Speed DSG
Driven wheels	Front wheel drive
Performance #	
0 – 100km/h, seconds	8.4
Fuel consumption *	
Combined, L / 100km	6.5
Urban, L/100km	8.0
Extra Urban, L/100km	5.6
CO ₂ emission g/km	153
Fuel tank capacity, litres	55

[^] Emission level according to European Regulation (EC) No. 715/2007 and Regulation (EC) No. 692/2008

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

* Fuel consumption figures according to Australian Design Rule (ADR) 81/02.

The driving style, road and traffic conditions, environmental influences, fitment of accessories and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

*With trailer brakes up to a gradient of 12%

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

≠ Please note, Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

Please note Metallic (M) and Pearl Effect (PE) paint are optional at extra cost.

Glossary

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Direct Shift Gearbox (DSG)

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 clutches. The benefit of 2 gear sets and 2 clutches is that one gear set and clutch is engaged driving the vehicle with the second disengaged clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.

Electronic Stabilisation Program (ESP)

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also reduces the effects of understeer or oversteer.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with the Direct Shift Gearbox (DSG).

Glossary (cont'd)

Park Assist 2*

Park Assist 2 actively helps the driver when reversing into 90° parking bays, as well as reversing into and driving out of parallel parking spaces. The system works by using sensors mounted either side of the front and rear bumpers together with parking distance sensors front and rear. To park, the driver simply presses the Park Assist button to select the type of parking manoeuvre and uses the appropriate indicator as the car slowly passes the potential parking space. Sensors scan the size of the parking space as the car is driven past and the driver is alerted if the parking space is big enough. If there is sufficient space, the driver stops the car, selects reverse and lets go of the steering wheel.

Park Assist will alert the driver of the intended path and subsequently the appearance of obstacles in the Multi-Function Display, within the driver's field of vision. Park Assist then actively supports the driver by taking over the steering control and parks the vehicle in the available space using the ideal course, if necessary with several moves. The driver can however take over the control of the steering at any time and end the automatic parking procedure.

Park Assist cannot replace the driver's attentiveness. The driver is still legally responsible for the vehicle. If the driver notices a risk that pedestrians, other vehicles or objects could be damaged or if they are uncertain of the risk, they will need to react accordingly and stop the vehicle, ending the function.

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, 24 Muir Road, Chullora, NSW 2190. ABN 14 093 117 876. Specifications are as planned at February 2014, for Model Year 2014 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
