Peugeot Citroën Australia offers this information as a general guide to product specifications. All data is believed to be correct as at November 2022, however, as development is an ongoing process, changes may occur from time to time which will not necessarily be reflected herein. Therefore, Peugeot Citroën Australia reserves the right to change specifications without notice. Accordingly, this information should not be regarded as an infallible guide to correct specifications, nor does it constitute an offer for sale of any particular vehicle. Whilst all care has been taken to provide you with information in regards to the general use of PEUGEOT products, you should not rely solely on the information provided in this brochure. Dealers are not agents of Peugeot Citroën Australia and have absolutely no authority to bind Peugeot Citroën Australia by an express or implied undertaking or representation. Peugeot Citroën Australia is the trading name of Inchcape European Automotive Pty Limited (ABN 97 070 000 789).

\*Fuel consumption results are based on NEDC's standard test procedure to provide customers with a basis for comparison of the performance of vehicles in accordance with ADR 81/02 only. No test can simulate all 'real world' driving conditions. Actual on-road fuel consumption is will vary due to factors such as traffic conditions, vehicle conditions and load, fuel quality and how the vehicle is driven.
