

Features and Specifications		
Safety and Security		R
Airbags	Driver and front passenger airbags	S
	Curtain airbags, front and rear	S
Anti-theft	Alarm system with interior monitoring and tilt sensor	S
	Electronic engine immobiliser	S
Body	Fully galvanised body with 12 year anti-corrosion perforation warranty	S
	Door side impact protection	S
	Rigid safety cell with front and rear crumple zones	S
Brakes	Automatic flashing brake lights activated in emergency braking situation	S
	Anti-lock Braking System (ABS)	S
	Brake Assist	S
	Electronic Brake-pressure Distribution (EBD)	S
	Hill Start Assist (HSA)	S
	Black brake callipers	S
Child restraints	Child seat top tether anchorage points, mounted on rear seat back (2)	S
	ISOFIX child seat anchorage points, outer rear seats	S
Entry/warning reflectors in front doors		S
Head restraints	Front safety optimised head restraints, height adjustable	S
	Rear head restraints (2)	S
Lighting	Daytime driving lights, LED integrated in headlight housing	S
	Fog lamp, rear	S
	Front indicators, LED integrated in front bumper	S
	Rear registration plate light, LED	S
	Rear tail lights, LED	S
Locking	Access, keyless entry and starting system including starter button	S
	Remote central locking with SAFELOCK deadlock mechanism	S
	2 stage unlocking (programmable)	S
	Automatic locking after take-off (programmable)	S
	One touch lock / unlock for driver	S
	Fuel filler flap lock/unlock by remote, push to open	S
Luggage cover, removable		S
Seat belts	Front with pre-tensioners and belt force limiters	S
	Visual and acoustic warning for driver and front seat passenger seat belts not fastened	S
	3 point seat belts for all passengers (4)	S
Traction Control	Anti-Slip Regulation (ASR)	S
	Electronic Differential Lock (EDL)	S
	Electronic Stabilisation Program (ESP)	S
	Extended Electronic Differential Lock (XDL)	S
Exterior Equipment / Styling		
Body enhancements	Body coloured bumper bars and door handles	S
	Body coloured lower front spoiler and rear roof spoiler	S
	Matte chrome finish exterior rear view mirrors	S
	Exposed chrome exhaust tail pipes, left and right	S
	Lower air intakes and radiator grille with black gloss grille inserts	S
	Rear bumper with black gloss diffuser	S
	Widened side sill panels in body colour	S
Paint	Gloss, Metallic and Pearl Effect paint finishes	S

Exterior Equipment / Styling (cont'd)		R
Tinted glass	Darkened rear tail light clusters	S
	Dark tinted rear side window and rear window glass, 65% light absorbing	S
	Heat insulating tinted glass	S
Wheels	Alloy wheels (Lugano, Black) 19x8" with 235/35 R19 tyres	S
	Anti-theft wheel bolts	S
	Low tyre pressure indicator	S
	Tyre mobility set, 12-volt compressor and tyre sealant	S
Comfort and Convenience		
Armrest	Front centre armrest, height and reach adjustable	S
Air conditioning	Dual zone automatic (2 modes) climate control with allergen filter	S
	Air quality sensor with automatic air recirculation	S
	Dust and pollen filter	S
Cruise control		S
Cup holders	Front (2)	S
Driver assistance systems	Adaptive chassis control	S
	Parking distance sensors, front and rear with acoustic warning and audio volume level reduction when sensor warning is activated	S
	Optical Parking System (OPS) in radio/navigation display	S
	Automatic kerb function when reversing, passenger's side exterior mirror	S
	Rear View Camera (RVC) with static guidance lines	S
Floor mats	Front and rear, carpet	S
Grab handles	Soft fold away grab handles, front	S
	Grab handles are not fitted in conjunction with the optional panoramic glass roof	
Headlights	Coming / leaving home function	S
	Combined headlight and fog light rotary switch	S
	Bi-xenon headlights for high and low beam with dynamic and static cornering lights, automatic range adjustment, headlight cleaning system and low washer fluid warning	S
	Low light sensor with automatic headlight function	S
In car entertainment and technology	Discover Media audio and satellite navigation system	S
	6.5" colour touch screen display with smartphone style HMI and proximity sensor, AM/FM radio, CD player and 2 x SD card slots for music and navigation data, 2D and 3D (bird's eye) map views, compatible with MP3, WMA and AAC music files, jpeg image viewer, car menu with convenience and service settings, security coded	
	App-Connect USB interface for Apple CarPlay®, Android Auto™ and MirrorLink® in front centre console	S
	Audio and telephone controls mounted on steering wheel	S
	Auxiliary input audio socket in front centre console	S
	Bluetooth® phone connectivity with contacts display, operation via touch screen audio unit or MFD Plus and Bluetooth® audio streaming	S
	Speakers, front and rear (8)	S
Instrumentation	Speedometer & tachometer, electronic odometer and tripmeter, service interval display, digital clock, fuel and coolant gauges, low fuel warning light, brake pad wear indicator, white adjustable illumination with blue needles	S
	Sports instruments on dashboard – turbo boost pressure, engine oil temperature and stopwatch	S

Comfort and Convenience (cont'd)		R
Interior highlights	Aluminium finish clutch, accelerator and brake pedals	S
	Decorative inlays, "carbon touch" for dashboard	S
	Black gloss finish to audio and air conditioning console surround, air vents, steering wheel inserts and interior door grab handles	S
	Black headlining and pillar trim	S
	Chrome highlight trim to headlight rotary switch	S
	Door sill scuff plates in aluminium, with R logo	S
	Gearshift knob in leather and aluminium	S
	Steering wheel, gearshift gaiter and handbrake grip with decorative stitching	S
Interior lighting	With time delay	S
	Foot well illumination, driver and front passenger	S
	Front reading lights (2)	S
	Rear reading light (1)	S
Luggage compartment	Load restraining hooks	S
	Luggage compartment light	S
	Shopping bag hooks	S
	12 volt socket	S
Mirrors	Automatic dimming interior rear-view mirror	S
	Automatic kerb function when reversing, passenger's side exterior mirror	S
	Black exterior mirror housings	S
	Electrically adjustable, heated and foldable exterior mirrors	S
	LED turn indicator lights integrated in exterior mirrors	S
	Integrated environment lighting in exterior mirrors	S
Power steering	Electro-mechanical, vehicle speed and steering input sensitive	S
Seating	Motorsport style bucket seats in Alcantara/Vienna leather with R logo	S
	Height adjustment for front seats	S
	Split folding rear seat backrest (50/50)	S
Steering wheel	3 spoke leather rimmed flat bottomed sports steering wheel with gloss black insert and decorative stitching	S
	Audio, telephone and Multi-Function Display controls	S
	Gearshift paddles (with DSG)	S
	Height and reach adjustable steering wheel	S
Storage	Chillable glove box with illumination, lockable	S
	Coin tray and 12 volt socket in console	S
	Compartment in roof console with lid (not with panoramic glass roof)	S
	Driver's side dashboard compartment with lid	S
	Front door pockets	S
Sunroof	Panoramic glass roof, electrically tilt adjustable with sunblind	O
Transmission	Gearshift recommendation indicator	S
	6 speed manual transmission	S
	6 speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function	O
Trip computer	Multi-Function Display (MFD Premium) – colour display and screen transitions with animations, lap timer, trip time, trip length, average and current speed, average and current fuel consumption, distance till empty and ambient temperature, digital clock, vehicle status, audio, telephone and navigation menus	S
Upholstery	Motorsport style bucket seats in Alcantara/Vienna leather with R logo	S
	Chrome highlights to power window and mirror switches	S
	Individually heated front seats	S
	Leather appointed seats has a combination of genuine and artificial leather, but are not wholly leather	
Vanity mirrors	Driver's and passenger's side vanity mirrors	S
	Illuminated on driver's and passenger's side	S
Wipers	2 speed aero wipers with wash/wipe	S
	Rain sensor	S
	Rear window with wash/wipe and intermittent wipe	S

Comfort and Convenience (cont'd)		R
Windows	Power front, with roll-back function and one-touch up-down	S
	Remote operated convenience close and open feature	S
12V socket	Centre console	S
	Luggage compartment	S

Colour Combinations

EXTERIOR COLOUR		
	Oryx White Pearl	Rising Blue Metallic
INTERIOR TRIM		
R		
Motorsport style bucket seats in Alcantara/Vienna leather with R logo	S	S

Technical Specifications

R		
2.0 litre TSI		
Engine		
Type	4 cylinder inline turbo direct injection petrol	
Installation	Front transverse	
Cubic capacity, litres/cc	2.0 / 1984	
Bore/stroke, mm	82.5 / 92.8	
Max power, kW @ rpm	188 @ 6000	
Max torque, Nm @ rpm	330 @ 2400-5200	
Compression ratio	9.8:1	
Fuel system	Bosch Motronic	
Ignition system	Electronic	
Exhaust emission control	Exhaust gas recirculation, catalytic converter and lambda probes	
Fuel type (Recommended)	Premium unleaded 98 RON minimum	
Transmission	6 Speed Manual	6 Speed DSG
Driven wheels	Front wheel drive	
Performance #		
0 – 100 km/h	6.2	6.0
Fuel Consumption **		
Combined, L/100km	8.1	8.0
Urban, L/100km	11.2	10.9
Extra Urban, L/100km	6.3	6.3
CO2 emission g/km	189	187
Fuel tank capacity litres	55	55

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

** Fuel consumption figures according to Australian Design Rule (ADR) 81/02.

The driving style, road and traffic conditions, environmental influences, the fitment of accessories and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Technical Specifications

		R
Running Gear		2.0 litre TSI
Suspension	Front Axle	Independent, MacPherson struts with lower A-arms. Anti-roll bar. Sports suspension with adaptive chassis control
	Rear Axle	Independent, four-link with coil springs. Anti-roll bar. Sports suspension with adaptive chassis control
Steering		Electro-mechanical power assisted rack & pinion steering
Brake Systems		Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD), Brake Assist and Electronic Stabilisation Program (ESP)
Brakes	Front	Ventilated discs
	Rear	Ventilated discs
Turning Circle (m)		11.0
Weights		6 Speed Manual
Tare Mass Kg's		1356
Exterior Dimensions		6 Speed DSG
Overall length mm		4248
Width mm		1820
Height mm		1392
Wheelbase mm		2578
Track mm	Front	1553
	Rear	1561
Luggage Area Dimensions #		
Luggage area volume L	Rear seat upright	312
	Rear seat folded	1006
Luggage area floor length mm	Rear seat upright	707
	Rear seat folded	1523
Luggage area width mm	At narrowest point	1005
Luggage load height mm	To luggage cover	730
	To roof lining	742

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

Glossary

Adaptive Chassis Control

The electrically controlled dampers of adaptive chassis control constantly adjust to the road conditions, the driving situation and driver's requirements. Using a button located on the centre console, the driver selects between three damper settings – NORMAL, COMFORT and SPORT.

Starting from the normal setting, the driver can change the basic character of the car towards sporty or more comfort-oriented driving. In SPORT and COMFORT settings, the corresponding name is illuminated in the button. In NORMAL setting, only the shock absorber symbol is illuminated. In all settings, the adaptive chassis control adjusts the damping to the particular driving situation (up till one thousand times per second) which means it offers an optimum level of driving comfort and enjoyment at all times. In addition, in the SPORT setting the steering feel is also adapted. Particularly on winding roads and poor surfaces, using adaptive chassis control offers sporty and yet comfortable driving.

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Direct Shift Gearbox (DSG)

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 clutches. The benefit of 2 gear sets and 2 clutches is that one gear set and clutch is engaged driving the vehicle with the second disengaged clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.

Electronic Stabilisation Program (ESP)

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also reduces the effects of understeer or oversteer.

Glossary (cont'd)

Extended Electronic Differential Lock (XDL)

XDL is an extension of the Electronic Differential Lock (EDL) function. When cornering, XDL responds to the load relief at the front wheel on the inside of a corner. The ESP hydraulics are used for the XDL to apply pressure to the wheel on the inside of the corner in order to prevent wheel spin. This improves traction and reduces the tendency to understeer. As a direct result of the one-sided and precise braking pressure, cornering is sportier and more accurate.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with both the manual transmission and the Direct Shift Gearbox (DSG).

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, Volkswagen Group Australia Pty Ltd, 24 Muir Road Chullora, NSW 2190. ABN 14 093 117 876. Specifications are as planned at October 2015, for Model Year 2016 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
