

Features and Specifications		Classic
Safety and Security		
Airbags	Driver and front passenger airbags	S
	Driver and front passenger side/head airbags	S
Anti-theft	Electronic engine immobiliser	S
Body	Fully galvanised body with 12 year anti-corrosion perforation warranty	S
	Door side impact protection	S
	Rigid safety cell with front and rear crumple zones	S
Brakes	Automatic flashing brake lights activated in emergency braking situation	S
	Anti-lock Braking System (ABS)	S
	Brake Assist	S
	Electronic Brake-pressure Distribution (EBD)	S
Child restraints	Hill Start Assist (HSA)	S
	Child seat top tether anchorage points, mounted on rear seat back (2)	S
	ISOFIX child seat anchorage points, outer rear seats	S
	Entry/warning reflectors in front doors	S
Head restraints	Front safety optimised head restraints, height adjustable	S
	Rear head restraints, height adjustable and removable (2)	S
Lighting	Bi-xenon headlights for high and low beam with LED daytime driving lights and LED rear registration plate light	S
	Front fog lights with static cornering light function, mounted in lower bumper	S
	Fog lamp, rear	S
Locking	Remote central locking	S
	2 stage unlocking (programmable)	S
	Automatic locking after take-off (programmable)	S
	Keyless Access, keyless entry and starting system including starter button	S
	One touch lock / unlock for driver	S
	Fuel filler flap lock/unlock by central locking, push to open	S
	Luggage cover, removable	S
Seat belts	Front with pre-tensioners and belt force limiters	S
	Visual and acoustic warning for driver and front seat passenger seat belts not fastened	S
	Visual indication for rear seat passenger seat belts fastened or not fastened	S
	3 point seat belts for all passengers (4)	S
Traction Control	Anti-Slip Regulation (ASR)	S
	Electronic Differential Lock (EDL)	S
	Electronic Stabilisation Program (ESP)	S
	Extended Electronic Differential Lock (XDL)	S
Exterior Equipment / Styling		
Body enhancements	Body coloured bumper bars and door handles	S
	Chrome mirror shells and strip on lower edge of side window frames	S
	Dual exposed exhaust tail pipes	S
	Volkswagen badge on the boot	S
	Lower body side moulding with chrome insert	S
	Lower front air intake with chrome insert	S
	Black Beetle decal on lower door sills	S
	Rear bumper with black diffuser	S
	Rear hatch spoiler	S
Paint	Pure White with a black roof and black spoiler top	S
Tinted glass	Heat insulating tinted glass	S
Wheels	Alloy wheels (Circle) 17x7" with 215/55 R17 tyres	S
	Anti-theft wheel bolts	S
	Weight and space saving spare wheel	S

S = Standard O = Optional Extra SO = Optional Extra, Special Factory Order - = Not available
 A = Volkswagen Genuine Accessory (Dealer fitted)

Comfort and Convenience		Classic
Armrest	Front centre armrest with storage compartment	S
Air conditioning	Air conditioning, dual zone automatic (2 modes) climate control Air quality sensor with automatic air recirculation Dust and pollen filter	S S S
Badge	Final edition numbered interior badge	
Cruise control		S
Cup holders	Front (2) Rear (1)	S S
Driver assistance systems	Parking distance sensors, front and rear Rear View Camera (RVC) with static guidance lines Optical Parking System (OPS) in radio display Blind Spot Monitor with Rear Traffic Alert	S S S S
Floor mats	Front and rear, carpet	S
Grab handles	Soft fold away grab handles, front Assist strap, left and right	S S
Headlights	Coming / leaving home function Combined headlight and fog light rotary switch Bi-xenon headlights for high and low beam with LED daytime driving lights and LED rear registration plate light Low light sensor with automatic headlight function	S S S S
In car entertainment and technology	Composition Media audio system 6.5" colour touch screen display with smartphone style HMI and proximity sensor, AM/FM radio, CD player and SD card slot for music, compatible with MP3, WMA and AAC music files, jpeg image viewer, car menu with convenience and service settings, security coded App-Connect USB interface for Apple CarPlay®, Android Auto™ and MirrorLink® in front centre console Audio, telephone and Multi-Function Display controls mounted on steering wheel Auxiliary input audio socket Bluetooth® phone connectivity with contacts display and Bluetooth® audio streaming, operation via touch screen audio unit and steering wheel mounted controls Speakers, front and rear (8)	S S S S S
Instrumentation	Speedometer & tachometer, electronic odometer and tripmeter, fuel gauge, service interval display, digital clock, outside temperature display, low fuel and high coolant temperature warning lights, brake pad wear indicator, white adjustable illumination Comfort indicator function (1 x touch = 3 x flash)	S S
Interior highlights	Body coloured dashboard fascia and upper door panels Chrome highlights to headlight rotary switch, audio console surround, air vents, front cup holder surround, gear lever surround and interior door grab handles Door sill scuff plates with silver highlights Gearshift knob and handbrake lever in leather	S S S S
Interior lighting	With time delay Front reading lights (2) with indirect dashboard lighting	S S
Luggage compartment	Luggage compartment light Shopping bag hooks	S S
Mirrors	Automatic dimming interior rear-view mirror Electrically adjustable and heated exterior mirrors Electrically foldable door mirrors LED turn indicator lights integrated in exterior mirrors	S S S S
Power steering	Electro-mechanical, vehicle speed and steering input sensitive	S

Comfort and Convenience (cont'd)		Classic
Seating	Comfort front seats	S
	Easy entry front seat backrest release function	S
	Height adjustment for front seats	S
	Split folding rear seat backrest (50/50)	S
Steering wheel	3 spoke leather rimmed flat bottomed steering wheel with body coloured insert	S
	Audio, telephone and Multi-Function Display controls	S
	Height and reach adjustable steering wheel	S
Storage	Beetle glove box integrated in dashboard fascia	S
	Glove box	S
	Tray in centre console	S
	Compartment in roof console	S
	Driver's side dashboard compartment with lid	S
	Front door trays with retaining straps	S
	Front seat backrest storage pockets	S
Open tray on top of dashboard	S	
Sun visors	Driver and front passenger, with ticket holders	S
Transmission	7 speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function	S
Trip computer	Multi-Function Display (MFD) – driving time, trip length, average and current speed, average and current fuel consumption, distance till empty, oil temperature, speed warning function, vehicle status and audio displays	S
Upholstery	Red and black checked comfort cloth seat upholstery	S
Vanity mirrors	Driver's and passenger's side vanity mirrors with sliding covers	S
	Illuminated on driver's and passenger's side	S
Wipers	2 speed aero wipers with wash/wipe	S
	Rain sensor	S
Windows	Power front, with roll-back function and one-touch up-down	S
	Remote operated convenience close and open feature	S
12V socket	Centre console, front and rear (2)	S

Technical Specifications

Engine		1.4 litre TSI
Type	4 cylinder inline turbo and supercharged direct injection petrol	
Installation	Front transverse	
Cubic capacity, litres/cc	1.4 / 1390	
Bore/stroke, mm	76.5 / 75.6	
Max power, kW @ rpm	118 kW @ 5800	
Max torque, Nm @ rpm	240 @ 1500-4500	
Compression ratio	10:1	
Fuel system	Bosch Motronic	
Ignition system	Electronic	
Exhaust emission control	Exhaust gas recirculation, catalytic converter and lambda probes	
Fuel type (Recommended)	Premium unleaded 95 RON minimum	
Transmission		7 Speed DSG
Driven wheels	Front wheel drive	
Performance #		
0 – 100 km/h	8.3	
Fuel Consumption **		
Combined, L/100km	6.4	
Urban, L/100km	7.9	
Extra Urban, L/100km	5.5	
CO2 emission g/km	148	
Fuel tank capacity litres	55	

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

** Fuel consumption figures according to Australian Design Rule (ADR) 81/02.

The driving style, road and traffic conditions, environmental influences, the fitment of accessories and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Technical Specifications

Running Gear		1.4 litre TSI
Suspension	Front Axle Rear Axle	Independent, MacPherson struts with lower A-arms. Anti-roll bar Independent, four-link with coil springs. Anti-roll bar.
Steering		Electro-mechanical power assisted rack & pinion steering
Brake Systems		Anti-lock Braking System (ABS) with Electronic Brake-pressure Distribution (EBD), Brake Assist and Electronic Stabilisation Program (ESP)
Brakes	Front Rear	Ventilated discs Discs
Turning Circle (m)		10.8
Weights		7 Speed DSG
Tare Mass Kg's		1329
Exterior Dimensions		
Overall length mm		4278
Width mm		1808
Height mm		1477
Wheelbase mm		2524
Track mm	Front Rear	1580^ 1546^
Luggage Area Dimensions #		
Luggage area volume L	Rear seat upright Rear seat folded	310 905
Luggage area floor length mm	Rear seat upright Rear seat folded	838 1493
Luggage area width mm	At widest point At narrowest point	1146 960
Luggage load height mm	To luggage cover To roof lining	546 813

Please note figures are sourced from overseas data where equipment levels by model variant may vary.

^Track figures are based on vehicles fitted with 215/55 R17 tyres

Glossary

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.

Blind Spot Monitor with Rear Traffic Alert

The Blind Spot Monitor with Rear Traffic Alert system supports the driver in assessing and avoiding dangerous situations, especially in critical situations, e.g. city and heavy traffic. The Blind Spot Monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror. Rear Traffic Alert warns the driver of approaching traffic at the rear of the car when reversing via an audible warning followed by a visual message in the Optical Parking System (OPS).

Blind Spot Monitor with Rear Traffic Alert cannot replace the driver's attentiveness. The driver is still legally responsible for the vehicle and must monitor the speed and distance in relation to other vehicles.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Direct Shift Gearbox (DSG)

DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 clutches. The benefit of 2 gear sets and 2 clutches is that one gear set and clutch is engaged driving the vehicle with the second disengaged clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.

Electronic Stabilisation Program (ESP)

ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also reduces the effects of understeer or oversteer.

Extended Electronic Differential Lock (XDL)

XDL is an extension of the Electronic Differential Lock (EDL) function. When cornering, XDL responds to the load relief at the front wheel on the inside of a corner. The ESP hydraulics are used for the XDL to apply pressure to the wheel on the inside of the corner in order to prevent wheel spin. This improves traction and reduces the tendency to understeer. As a direct result of the one-sided and precise braking pressure, cornering is sportier and more accurate.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with both the manual transmission and the Direct Shift Gearbox (DSG).

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, 24 Muir Road, Chullora, NSW 2190. ABN 14 093 117 876. Specifications are as planned at August 2016, for Model Year 2016 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
