Prices quoted are recommended prices excluding dealer delivery charges, which may vary from dealer to dealer and statutory charges, which vary from state to state. Where the recommended price shown is above the threshold of \$67,525 and the vehicle has a fuel consumption of more than 7.0L/100km as a combined rating under section 7 of the Motor Vehicle Standards Act 1989, the recommended price is inclusive of Luxury Car Tax (LCT) of 33%. For vehicles with a fuel consumption of no more than 7.0L/100km as a combined rating under section 7 of the Motor Vehicle Standards Act 1989, the LCT of 33% only applies above the threshold of \$75,526. Individual prices for factory options quoted separately do not include LCT and dealer fitment charges. If the total price of the vehicle including factory options and dealer delivery charge exceeds the LCT threshold, the total price is required to be recalculated with the LCT applied to the net costs of any amount above the LCT threshold.

Touareg Disclaimer: Prices quoted are recommended prices excluding dealer delivery charges, which may vary from dealer to dealer, and statutory charges, which vary from state to state. The recommended price of each model and factory option are shown inclusive of Luxury Car Tax (LCT). The LCT rate of 33% has been applied to amounts above the LCT threshold of \$67,525.

This is a manufacturer's recommended price list intended for comparison purposes only. New vehicles must be purchased from dealers. Pricing is as planned April 2020 for Model Year 2020 and is subject to change without notice or obligation.
